LANGUAGE FUNCTIONS and FORMS The English Language Proficiency Standards are written as pathways to the Oregon English Language Arts standards. The ELP Standards are designed to supplement the ELA standards to ensure that LEP students develop proficiency in both the English language and the concepts and skills contained in the ELA standards.

### **LANGUAGE FUNCTIONS and FORMS**

Academic Language can be defined as 1) the language used in the classroom and workplace, 2) the language of text, 3) the language of assessments, 4) the language of academic success and 5) the language of power.

### **ACADEMIC LANGUAGE FUNCTION - Tennessee Tech**

say, though, that the functions of language including that of conveying meaning have left their mark on language structure to the degree that it's hopeless to think that you can understand anything about this structure without working out how it's grounded functionally.

### **LANGUAGE FORM AND LANGUAGE FUNCTION Frederick J. Newmeyer**

Language functions and related language structures The different functions of language have different linguistic demands. Each function has its own typical language structures.

### **Language functions and related language structures**

These language functions and forms, however, need to be explicitly taught to English language learners and may be taught to ELLs at all grade levels and as the need and context arise. The contrast between form and function in language may be illustrated using a simple biological parallel.
