The 10 Best Sites to Post Your Resume Online - CareerCloud

Your resume's ready to go out there and get you the job. You've updated it, highlighted your transferable skills, and triple-checked for typos. Now the only question is how you submit it. Should it be a PDF or Word document? The answer's complicated, but to help you make the best, most educated decision, I enlisted the help of two of our career coaches who specialize in resume reviews.

How to Know if Your Resume Should Be a PDF or Word -The Muse

But sending your resume as a PDF is a bad idea because many companies upload resumes into an online database, and those databases generally cannot read PDF files. So while they'll be able to open and read your resume when you send it, they won't be able to add you to their database and search for you should another opportunity arise.
