Reader's Comments (0) Author's Note: Inspired by the excellent story "Beta Test" by Beast5, the guiding concept of mixing an avatar world with machines to create an alternate reality is explored. This is a new story that adopts the concept and tells a tale of the fictional character Ashley Bennett. The story isn't an improvement of "Beta Test," or an expansion of it.

LIGHTS, CAMERA, SEX! is the first book I've ever read about the porn industry, and certainly the first memoir I've ever read written by a porn star. It's a rambling and often amateurishly written, but largely enjoyable, look back at what some people call "the golden age of porn," or rather, Christy Canyon's place within it.
