Works! A clear, definite, common-sense plan of accomplishment, with rules, explanations and suggestions for bettering your condition in life The author sent the manuscript of this book for criticism to a friend who returned it with the notation, "works." This judgment born of experience was adopted as the title of the book.

### **If you know what you want, you can have it! Works!**

This is a list of links to articles on software used to manage Portable Document Format (PDF) documents. The distinction between the various functions is not entirely clear-cut; for example, some viewers allow adding of annotations, signatures, etc.
