Making Leisure Work Architecture And The Experience

Contemporary architecture of theme-based design is examined in this book, leading to a new understanding of architecture's role in the increasingly diversified consumer environment. It explores the Experience Economy to reveal how everyday environments strategically and opportunistically blur our leisure, work, and personal life experiences.

Making Leisure Work: Architecture And The Experience

architecture collections and the decorative V&A building to discover how patterns are used in architecture and interior design. Investigate how pattern motifs can reflect different cultural values and identity. Give students an exciting design brief to create their own pattern designs, inspired by their research at the Museum.

PATTERNS IN ARCHITECTURE - Amazon Web Services

The line between leisure and work is similarly blurred in The Bold Collective's Porter Davis project on Bourke Street in Melbourne.
