The great Methodist preacher Halford Luccock published a book entitled Marching Off the Map. The name came from a story about Alexander the Great. As Luccock tells the story, Alexander's army had moved from victory to victory, sweeping across Asia Minor, then through Persia, and into the mountainous region that is now Afghanistan.

Marching Off the Map | Michael Duduit

Marching off the Map - #3884; Marching off the Map - #3884 Print. Thursday, November 29, 2001. Maybe you've seen those old world maps that were created when a lot of the world was still unexplored. When they reached the edge of what had been explored, they drew a line and they showed dragons and monsters beyond it--which didn't exactly ...
